Name: _____

A Change of Plans

Directions: Answer the following questions about the Playbook® story in complete sentences.

1. Do you think Ana Conda's trip to Rio is very well planned? Why or why not?

2. How does Ana Conda discover that she wants to be a ballerina? If you have a special interest or goal, how did you discover it?

3. Why does Madame Reptilia speak with an accent?

4. Why does someone tell Ana Conda to "break a leg"?

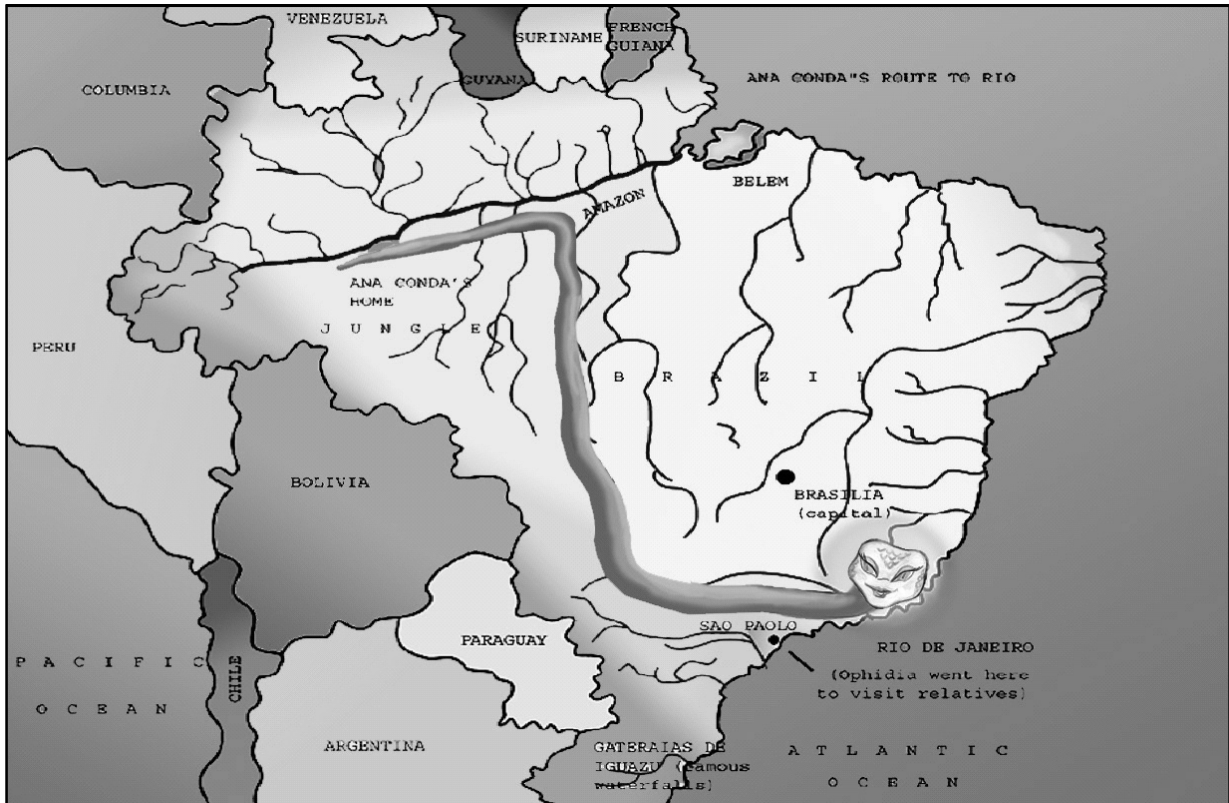

5. What changes Nana's and Hannah's minds about coming to Rio?

6. What are your favorite humorous moments or details in the story?

Name: _____

Swimming to Rio

Directions: Use the map found at <http://www.worldatlas.com/webimage/countrys/samerica/brnewzzl.gif> to write directions for Ana Conda to travel from her home in the jungle to Rio de Janeiro by river. Use the names of the rivers and say whether Ana should go north, south, east, or west to reach each new river. The map below shows the location of Ana's home and a sample route.

What cities will Ana Conda pass through on the way to Rio de Janeiro?

Approximately how many miles will Ana travel to get to Rio de Janeiro?

Name: _____

Just How Big is Ana? (and other facts)

Directions: Use the Internet to research the answers to the following questions about Anacondas.

1. How long can anacondas get? _____
2. What do anacondas eat? _____
3. Where do anacondas live? _____
4. About how big are anacondas when they are born? _____
5. About how many babies do anacondas have at once? _____
6. Do anacondas lay eggs? Explain.

7. How long can an anaconda go without eating a meal? _____
8. What family are anacondas a part of? _____
9. What is another name for the anaconda? _____
10. One type of anaconda is the largest snake in the world. True or False?

Swimming to Rio

(Sample Answer)

East on the Amazon, south on the Tapajos, south on the Teles Pires, south on the Xingu, east on the Araguaia, East on the Rio Grande.

Ana will travel approximately 3000 miles (not in a straight line).

A Change of Plans

(Sample Answers)

1. No, because she traveled across the country based on a phone call conversation she could barely hear, and didn't make any other contact with Ophidia to confirm the next month's plans.
2. She decides she wants to be a ballerina after she watches a ballet performance.
3. Madame Reptilia speaks with a Russian accent because Russia is the home of a famous type of ballet.
4. "Break a leg" is a way of wishing someone good luck in a theater performance.
5. Ilionna locates a luxury retirement home on the beach that Nana will love, and contacted her uncle at a local university for Hannah to hopefully be hired at.
6. Answers vary.

Just How Big is Ana?

1. Up to 30 feet
2. Deer, pigs, birds, frogs, and more
3. Rain forests and wetlands
4. About 2 feet long
5. Usually 20-35, but as many as 70 in some cases
6. No, they produce eggs but the babies hatch inside the mother's body and she births live young
7. Weeks or months
8. Boa constrictor
9. Water Boa
10. True
